Great way to start off the school year and hope to keep it going that way. Dan Chen | PhD | Elizabethtown College, PA | Department of ... Local leaders can also use criticism to establish political authority among their subordinates and impress superiors for career advancement. The findings suggest that despite the formal institutional arrangements, both the central and local leaders have used informal measures such as criticism to achieve political goals. This further implicates the importance of informal measures in the operation of the authoritarian regime.
