Wireless Access - Elizabethtown College Wireless network access is available in all campus buildings. Please see the links below for detailed instructions for connecting to the wireless network. Please see the links below for detailed instructions for connecting to the wireless network. Wireless World, Connected Campus - Elizabethtown College When Elizabethtown sat down with four College librarians, we learned that High Library is busier than ever. In the 1990s, there was a shift from paper card catalog to CD-ROM and then to a computerized system but, back then, students still had to make an appointment to search on a single machine. Today, students can search and access journal articles, ebooks and other materials from the College's collection from any Internet-ready device. Wireless | Elizabethtown College ITS Blog Over the summer, ITS worked very hard to upgrade the entire wireless network on campus. Now, students can enjoy Wi-Fi beyond buildings in areas such as in the Dell or the Academic Quad. The Wi-Fi is also faster and more.

Don't Be a Wi-Fi Monster | Elizabethtown College ITS Blog If you know someone who has a wireless printer, remind them to turn the wireless function off. If you have a question about Wi-Fi interfering devices on campus, please contact the ITS Help Desk at helpdesk@etown.edu, ext. 3333, or stop in Nicarry 125.
